

Single Mode Fiber Mini-GBIC Modules

TEG-MGBSX, TEG-MGBS10, TEW-MGBS40, TEW-MGBS80

1000Mbps-LX Mini-GBIC modules are designed to connect with any Gigabit Ethernet Switch with the industry standard GBIC slot.

FEATURES

- Compliant with IEEE 802.3z Gigabit Ethernet and Fiber Channel Standards
- Industry standard SFP package
- Duplex LC connector
- 1.0625Gbps Fiber Channel Compliant
- 1.25Gbps Gigabit Ethernet Compliant
- Single 3.3V Power Supply Voltage
